(c) Alternative headings not required should be assigned. Ordinary indexes are permitted in duplicate, except in the case of journals of the Ordnance Department and medical store shops when only one is required in triplicate, except in the case of journals on the Ordnance Department and the supply and transport corps which are required in quadruplicate. All indexes, respectively, articles printed on paymone must be bound in a separate form.

(c) The indexing officer will be held responsible for the correctness of this entry, and containing 100%.

(d) Indents for Ordnance Stores to replace unserviceable items, are required, must have H. A. P. 2230C, returned in duplicate. In the case of unserviceable arms, also of unserviceable transport or components of arms, whether applied periodically or not, the voucher number and date on which returned to the Ordnance Department, should be quoted on this form. Indents for the issue of stores to replace those lost or damaged must have H. A. P. 2232 attached.

(c) These forms may be prepared by the cartoon process, provided the entries are made up in duplicate or special copies, as per—

(1) in order to avoid unnecessary correspondence, no index should be made for stores the issue of which is sanctioned by an announcement in Indian Army Order or communicated by letter under the notice of Divisional or other Orders that the supply of department is prepared to meet the demand.

All communications should be addressed to the Secretary to the Resident in Mysore, Bangalore, by designation and not by name.
